1. Director of Security 4E60 Headquarters				<p>To No. 1:</p> <p>If this proposal is approved, it may be necessary for us to request that the Office of Security furnish escorts to "keep an eye" on the contractor personnel.</p> <p>To No. 3:</p> <p>From discussion with Mr. Mulvin (Mr. Province's office of Buildings Operation Division, PBS, Region 3), the use of Youth Opportunity Campaign personnel has been terminated since the program was based on summer employment. GSA has arranged for a minimum number to have "part-time employment to keep them in school." These people work at night during the week and a full day on Saturday. At this time of year, it would be almost dark before a group could be transported from downtown to the Headquarters site on school days. Therefore, PBS does not consider it feasible for us to use this labor source. PBS suggested that the work be accomplished by contract personnel under PBS supervision or by PBS' contracting with a contractor.</p> <div>OL 7 66</div> <div>STAT</div>
